WINNEBAGO®

Winnebago Minnie Winnie 20RG

When it comes to versatility, maneuverability and affordability, the Winnebago Minnie Winnie shows its true style in comfort and convenience. Sensible floor plans on Chevy and Dodge chassis make the 20, 23 and 24 foot Minnie Winnies nimble road travelers, providing a comfort level specially tailored to your motor home budget.

The tub and shower combination is standard, with the bath up front in the 20 foot version and in the rear in the longer style. Both feature convenience grouped kitchen and dinettes with spacious storage areas and pre-finished washable vinyl paneling in attractive woodgrain for easy maintenance.

The 25-foot Sportman's Den is built for the sportsminded with a variety of floor plan arrangements available.

Our newest addition, the Bunkhouse 24RH, features bunk beds with individual windows and accesses designed for privacy and convenience. Bunkhouse interior options and standard features mirror the thoughtful refinement of the entire Winnebago line.

All of our models feature as standard a 350 cu. in. Chevy or 360 cu. in. Dodge V8 engine, aluminized exhaust system for long life, cab undercoating to fight unwanted corrosion and RV thumpless tires for traveling ease and pleasure.

All four models drive and park with ease... giving a road hugging ride usually reserved

A.

for heavier vehicles. But the agility designed into each Winnebago puts it right at home, even on the roughest back roads.

Wide open floor plans... ample breathing room... full kitchens and baths... extra passage headroom... they all make for a comfort level second to none. Winnebago expert engineering and construction extends to all our vehicles, providing you with the best in safety features including our Thermo-Steel® construction.

Overall Winnebago excellence gives you peace of mind and the added benefit of higher resale value. We offer a strong warranty plan honored across the country by dealers ready to handle any problems you might have.
