

Microlite Travel Trailers

T@DA Microlite Travel Trailers

A gracefully sculpted masterpiece...
Michelangelo would be pleased.

Excitement at every curve.

Kitchen with sink/stove combination, 12 V refrigerator & optional microwave

Bathroom with optional shower

Queen bed and dinette

TXL floorplan pictured

Optional Features

TV/DVD Combo

Sit back and watch your favorite movies on the optional 15" flat screen TV with integrated DVD player, and a remote control is included for your convenience. You just bring the popcorn!

Air Conditioner with Heat Pump

The optional 12,000 BTU *Cool Cat* air conditioning system will keep you comfortable on those too-warm days.

The AC is also equipped with a heat pump to warm you up when the campfire just won't cut it. A 12,000 BTU furnace is also available.

Hydro Package

T@DA includes a standard 5 gallon cassette toilet. The portable cassette toilet tank stores in an exterior compartment for easy storage and removal (standard feature, shown above right).

The optional Hydro Package includes a 6 gallon water heater, shower head with water-saver feature, shower curtain and a hot & cold sink faucet for the galley sink. The bath is prepped for a 22 gallon tote-along portable tank, available through your local dealer (shown above left).

Screen Door

T@DA is available with a slider screen door. You will love how easily this screen door works! Let the air in and keep the bugs out!

Vehicle loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle. Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. **Warning** - This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions. *UVW and Hitch Dry Weight are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit.

T@DA on cover shown with optional Sail decal package.

Flex your creative muscles.

Mix and match – the possibilities are endless!
